

# OPTIONAL FEATURES

## BWA Wi-Fi Module

Connect to Your Spa Wirelessly

Available on all models

An app that allows you to access your hot tub via a direct connection anywhere in the local proximity of your tub, anywhere in your house that you can connect to your local WiFi network, or anywhere in the world you have an internet connection.

## Trident UV Sanitizer System

Helps Reduce Chemical Use

Available on all models

Spa water containing bacteria is exposed to the high intensity light waves emitted by the UV-C lamp. This causes the DNA of the bacteria to be disrupted and unable to multiply. Without the ability to multiply, the bacteria will die and is rendered harmless.

## 5.0SPL Pump & Pack Upgrade

Increase Performance & Energy Savings

Oyster Bay model only

When a 115 volt spa isn't practical and installing a dedicated 230 volt power supply isn't a problem, upgrade your spa to a 5.0SPL jet pump and 230 volt spa pack to increase performance and energy savings.

# STRUCTURE

## Galvanized Steel Frame

The backbone of every spa is supported by our industrial-strength galvanized steel frame. Our frames are precision engineered for a perfect fit with all components.

## Polysteel Cabinetry

Polysteel is a durable and maintenance-free blow-molded cabinet made from high density polyethylene.

## Polyethylene Capped Base

To keep maintenance needs simple, and the frame/equipment away from the cold wet ground, we cap the entire bottom with a polyethylene capped base.

## STANDARD ACRYLIC

STERLING MARBLE TUSCAN SUN

## DELUXE ACRYLIC

CAMEO STORM CLOUDS MIDNIGHT CANYON MAYAN COPPER

## CABINET COLORS

GREY ESPRESSO BLACK

**FEATURE HIGHLIGHTS**

**LED Illuminated Waterfall**  
Enjoy The Array of Colors

Watch the array of colors transition throughout the water and experience multi-colored lights dancing in front of your very eyes.

**Perimeter LED Lighting**  
Stunning Visual Effects

Enjoy your favorite mix of color! The Sunrise luminescent LED perimeter light effects create a dramatic effect below the waters' surface

**MP3 Audio System**  
With 2 Speakers & Subwoofer  
Optional on Oyster Bay Model

Control your spa's audio through any MP3 device and listen to your favorite songs through our waterproof speakers and powerful subwoofer.

**Factory Installed Ozonator**  
Helps Reduce Chemical Use

When ozone is injected into spa water it acts as an oxidizer which destroys organics that bacteria feed on. Ozone breaks down oils, to keep your spa clear and fresh and helps reduce the amount of chemical you use to treat your spa water.
